The Council will have before it the proposed basic programme of work of the Council for 2005 and 2006 prepared by the Secretariat in accordance with the relevant decisions of the Council and of the General Assembly.

In its decision 2004/294, the Council decided that the high-level segment of its substantive session of 2005 would be devoted to consideration of the following theme: "Achieving the internationally agreed development goals, including those contained in the Millennium Declaration, as well as implementing the outcomes of the major United Nations conferences and summits: progress made, challenges and opportunities".

In its decision 2004/292, the Council decided that the coordination segment of its substantive session of 2005 would be devoted to consideration of the following theme: "Towards achieving internationally agreed development goals, including those contained in the Millennium Declaration".

The Council's attention is drawn to General Assembly resolution 52/12 B, by which the Assembly decided to create a humanitarian affairs segment of the Council. In accordance with Council decision 1999/208, the Council, at its organizational session, may wish to select a theme for the humanitarian affairs segment of its substantive session of 2005.

Pursuant to Council decision 1982/174 on the rationalization of the work of the Council, the Council decided to identify, at its annual organizational session, a subject relating to interregional cooperation, of common interest to all regions, for detailed consideration under the agenda item on regional cooperation, and to request the executive secretaries of the regional commissions to submit their joint recommendations in that regard to the Council at its annual organizational session.

Pursuant to Council resolution 1988/77 on the revitalization of the Council, the President, prior to the organizational session, and with the cooperation of the other members of the Bureau, will arrange for consultations with members of the Council on the draft programme of work and provisional agenda prepared by the Secretary-General and make proposals thereon for consideration by the Council.
